A Word About This Offering

Mr. and Mrs. Nils I. Aspaas who established their Linderwood Farm Shorthorn herd in 1940 are making their first production sale.

In establishing this herd, females from the most dependable families and of the most approved bloodlines were selected. You will find females of the Augusta, Eliza, Starlight, Princess Royal, Flowergirl, Rosemary and Rosewood families by top-sires of the breed represented in the pedigrees.

Only top bulls have been used. The first herd sire was **EDELLYN SELECT MERCURY** by the famous Calrossie Mercury. Many of the brood matrons in the herd are by him. Next came **KLAYMOR IDOL**, by Aldie Reynoldstown. This bull topped the Northwest Chicago sale at \$1875. He sired tops in the herd and left some great producing females. Then, **M F MICAH MERCURY**, a grandson of Calrossie Mercury, was used. He had sired many South Dakota State Sale champions and left his imprint in this herd.

With a well laid foundation of select females in the herd, they purchased the second top bull of the 1951 Edellyn sale at \$2100, namely, **EDELLYN COMRADE MERCURY** by the champion, Edellyn All-Star Mercury. This bull has proved a great sire as the 15 bulls and 15 females by him in this offering will verify.

It would be hard to find an offering with more top Calrossie Mercury breeding than this offering.

The bulls are good headed, dark colored, lowset, thick and beefy, the kind that will sire beef cattle.

The females are well bred and of the same type and caliber.

The herd has been very prolific with excellent calf crops and calf-hood vaccination for Bangs has been practiced since the herd was established.

This is a group of young cattle that are uniform in quality, color and breeding, and will produce likewise.

Plan to spend the day of **April 29** at Linderwood Farm. You will find Shorthorns that will please you.
